SCIENCE FICTION/FANTASY SOUTH AFRICA

CLUB ACTIVITIES

If you enjoy Science Fiction and/or Fantasy, then the following activities of the Club will interest you:

MONTHLY MEETINGS

These usually take the form of talk, discussion or film show.

Meetings are held in the Gauteng area, usually Johannesburg. The entrance fee is R10.00 per member*. The fee for non-members is R20.00.

LIBRARY

Members may borrow 5 books at a time from the Club library. Over 3 000 titles are presently in stock. Our librarian can be approached if you wish to borrow books at times other than meetings. A mailing service is available to country members who cannot attend meetings. Contact the librarian for more details.

CLUB MAGAZINE

PROBE is published quarterly and sent to all members. You are invited (encouraged) to contribute letters, articles, short stories and artwork.

MAIN AND MINI CONVENTIONS

Once a year, held over one or two days, is our annual convention, with speakers, movies not often seen, and general socialising. The minicon is a midyear convention for the more serious fan, and consists of a day of talks, discussions, debates, quizzes and wormholes. We also arrange some speciality small conventions.

NOVA SHORT STORY COMPETITION

An annual event with monetary prizes for the best science fiction or fantasy stories, in both a South African and a general category.

Winning entries are published in PROBE. We accept entries from April, and the competition closes at the end of September.

CORRESPONDENCE We can put you in contact with other SF clubs and fans overseas. We also have some overseas fanzines available.

* Please note that an SFFSA membership covers a single person, a co-habiting couple, or entire family. In other words, if you are living under one roof, you only need a single membership. You do however, get only one copy of PROBE, no matter how large the number of people covered by a membership

SUBSCRIPTIONS FOR 2019

Subscriptions are R275 per annum for local members. (In the Gauteng area.)
Rates will be Pro-Rated from January.

Subscriptions are R200 per annum for country members. (Not in the Gauteng area.)
Rates will be Pro-Rated from January.

Subscriptions are **US\$30 / UK£20** (or equivalent) per annum for overseas or international members. (Not in South Africa.)

We ask an additional **US\$30 / UK£20** (or equivalent) if you wish to receive Probe via airmail. Please contact us for PayPal or SWIFT direct deposit information. Otherwise we need to charge R90 extra per cheque, to cover bank charges.

An SFFSA membership covers a single person, a co-habiting couple, or entire family. In other words, if you are living under one roof, you only need a single membership. You do however, get only one copy of PROBE, no matter how large the number of people covered by a membership.
